EVERY CONSTRUCTION PROJECT BRINGS NEW OPPORTUNITY.

TURN OPPORTUNITY INTO SUCCESS WITH THE RIGHT TEAM.

WHAT IS IT THAT TAKES A HOTEL RENOVATION

from ordinary to something

as beautiful as it is functional?

The right experience. The right approach.
THE RIGHT CONSTRUCTION TEAM.

LANCO DEVELOPMENT, LLC, is a general contracting and construction management company specializing in the hospitality market. We are known for our hands-on involvement and tireless commitment to deliver high-quality hotel renovations throughout the United States

THE RIGHT EXPERIENCE.

The entire LANCO TEAM is a dedicated group of Experienced professionals committed to artfully Accomplish your goals.

Our personal style starts from the top, with Kirt Lang, CEO, who has over 25 years in the construction industry, with 20 years specializing in hospitality. He believes in being personally involved in each LANCO project. From the grand, state-of-the-art business hotels like the Buckhead Marriott, to the historic boutique hotels such as the Maison DuPuy in the French Quarter of New Orleans, LANCO's range of hands-on experience brings a unique understanding and approach to every construction project.

Our work includes the renovation of guest rooms, corridors, lobbies, restaurants, pools, spas, and fitness areas, concierge lounges and presidential suites. We also contract exterior improvements, where our scope includes water-proofing, painting, caulking & sealants, along with renovations to courtyards, exterior restaurants and landscaping.

THE RIGHT APPROACH.

Our process centers around a core team approach and the successful implementation of your goals—including schedule, budget and operational interface considerations. This is where we truly excel.

Our extraordinary level of commitment and close attention to detail is our steadfast promise that we will exceed your expectations as we have others.

THE RIGHT TEAM. MEET LANCO.

Solid experience, strong capability and personal interest in each project differentiates LANCO from other contractors. Your goals become our goals. Experience the difference it makes when your general contracting team shears your opportunity and turns it into a success.
